Did you know you have to certify your Servicemember’s Group Life Insurance (SGLI)? Fewer than 40% of Airmen in the entire AF who transitioned to the SGLI Online Enrollment System (SOES) have recertified their SGLI election. To assist the AF in improving this statistic, you must certify your information in SOES every 12-months. To do so, take the following steps:

1. CAC-log into https://milconnect.dmcc.osd.mil/milconnect/
2. Click Benefits tab
3. Click Life Insurance (SOES – SGLI Online Enrollment System)
4. Follow the prompts to certify

Did you know the rules for withdrawing voluntary status/requesting cancellation of an assignment after PCS Selection? Airmen selected as a volunteer for an assignment may request assignment cancellation based on hardship or best interest of the Air Force as outlined in AFI 36-2110, para. 5.10. Airmen may submit the request through the vMPF (if vMPF is not available, Airmen must submit the request in memorandum format). Commander’s endorsement is required. Request submitted in memorandum format are sent from the MPF to the appropriate approval authority (AFPC/DP3AM). Note: Changing volunteer status is not justification for assignment cancellation IAW the Assignment AFI.

Do you know if you or your dependent(s) require a passport when traveling overseas? It is highly recommended to review the Foreign Clearance Guide (https://www.fcg.pentagon.mil/fcg.cfm) for the country you are visiting prior to making any travel arrangements. This website has the information you need to know prior to travel, regardless if the visit is for official business or leisure. Entry requirements for your dependents are also available on the website (i.e. official/no-fee passport, visas, etc.). You may also find additional information at Travel.State.Gov.

Did you know your entitlement if you elected TAIP? In addition to receiving $300 per month, did you know you also receive two overseas short tour credits when you serve a total of 24 months unaccompanied tour? The overseas tour credit is awarded upon completion of the tour in Turkey.

Frequently Asked Questions

How early can I submit my documents for PCS orders? You may submit your documents as early as 180-days but should be no later than 90-days prior to your projected departure date to ensure you receive orders in timely manner.

How long does it take to receive PCS orders once I submit my documents? Once your documents are received, your assignment counselor has 3-5 duty days to review and respond. If no corrections are needed, your assignment counselor has an additional duty day to produce and submit drafted orders to the Approving Official. The AO has 1-duty day to review drafted orders. During the review, the AO may return the orders for corrections or submit to AFPC for authentication. AFPC has 5-8 duty days to authenticate the orders. Therefore, you are looking at about 2 weeks for the PCS order process.

I was selected as a non-volunteer for an assignment, but I don’t want this assignment, what are my options? If you have the retainability requirement for the assignment, then you may request assignment cancellation as an exception to policy. The exception to policy MUST be based on hardship that is greater than that experience by other Amn or in the best interest of the Air Force. The request should be in a memorandum format and must be endorsed by your commander. Submit the request to the MPF for further coordination to AFPC. When the request is disapproved, the assignment remains. Additionally, if the request was disapproved under this rule, the Amn cannot request separation or retirement under the 7-day option provisions (unless he/she is still within the 7 days of assignment notification).
