### Tips for Toy Safety

1. Pick age-appropriate toys—look for a "recommended age" sticker
2. Choose toys that are well-made
3. Think Big— for children under 3, pick toys bigger than their mouths
4. Make sure your child is physically ready for the toy
5. Skip the balloons—latex balloons are a common cause of choking fatalities
6. Don’t pick heavy toys— could it harm your child if it fell on him? If so, pass on it
7. Don’t pick toys with a string/card > 12 inches — it can wrap around young child’s neck causing strangulation
8. Avoid toys with small magnets — may fall off & become choking hazard
9. Watch out for toxic toys— avoid toys w/lead, mercury, cadmium, etc.
