**DID YOU KNOW...?**

**NAF VS. APF**

- **Non-Appropriated Funds (NAF)**
  NAFs are government funds, but are separate and apart from funds that are recorded in the books of the U.S. treasury. They are not appropriated by Congress and come primarily from the operation of income generating activities (i.e. Outdoor Recreation, Bowling, Skills Centers, Golf, Clubs, etc.) on the installation. These funds are used for the benefit of our Incirlik military personnel, their families, and authorized civilians through support of morale, welfare, and recreation programs, lodging, certain educational, religious, and family programs and other programs as authorized by the Air Force Directives. Every NAF dollar is reinvested to maintain, update, and refurbish all of the FSS activities and hold base-wide events that help to boost morale for all Airmen and their families.

- **Appropriated Funds (APF)**
  APFs, which are approved by Congress for specific requirements and are the subject of much of the current debate, are not authorized to be executed for any and all purposes. Congress has established certain guidelines for the amount of APF support provided to various functional areas and specific information about FSS activities can be found in AFI 65-106, Appropriated Fund Support to Morale, Welfare and Recreation (MWR) Activities and Non-Appropriated Fund Instrumentalities.

**YOUR NAF DOLLARS**

The 39th Force Support Squadron’s NAF activities are a self-sustained network of support and leisure services designed to boost morale for all Airmen and their families. NAF funds are generated when you pay for the use of those activities. So, how do we use the money we receive from you to make things better? Well, this past year, we’ve reinvested over $268K in items that ensure the activities meet their mission. This included Golf carts/repairs, dishes/silverware for club, grill replacement at bowling, repair guides for Auto Hobby, and canopies at Outdoor Recreation for special events, to name a few. We also did some renovation reinvestment projects to the tune of $375K (Golf Course snack bar, the Enlisted Lounge, the Officers Lounge, the ballroom, and the Bowling Center). NAF funds are also utilized to pay NAF employees who work at the activities, which also happen to be mostly Air Force dependents. This means NAF put $190K directly back into the pockets of those families. Finally, base-wide events were supported through NAF fund with over $43K going into events like Fall/Spring Fest, and 4th of July Celebration. This is just a brief overview of how NAF funds are reinvested and do not provide a comprehensive listing.
